# Kanchenjunga - Versions and Changes

## Announcement list

If you would like stay informed of updates to Kanchenjunga and other SIL fonts, please subscribe to the SIL Font News Announcement List. For more information see About.

Our font announcements are also available through Twitter [@silfonts](https://twitter.com/silfonts).

## Current versions

The latest version of the font is always available from the Kanchenjunga download page as a .zip archive for all major platforms.

This font package is also available in the SIL software repository for Ubuntu. Users can subscribe to this software repository and get current versions and updates automatically.

## Change history

A detailed list of changes for each version of the fonts is on the Version history page.
